

NORTH EAST CHRISTIAN UNIVERSITY

— DIMAPUR —

Faculty of Vocational Studies & Industrial Training

Department Of
**ENGINEERING & SAFETY
MANAGEMENT**

B R O C H U R E

ROLE OF UNIVERSITY

The University being the prime facilitator of the academic resources & certification will provide concerned Mark Statements & Certification to the student on passing of the Examination conducted by the institution on the relevant pattern.

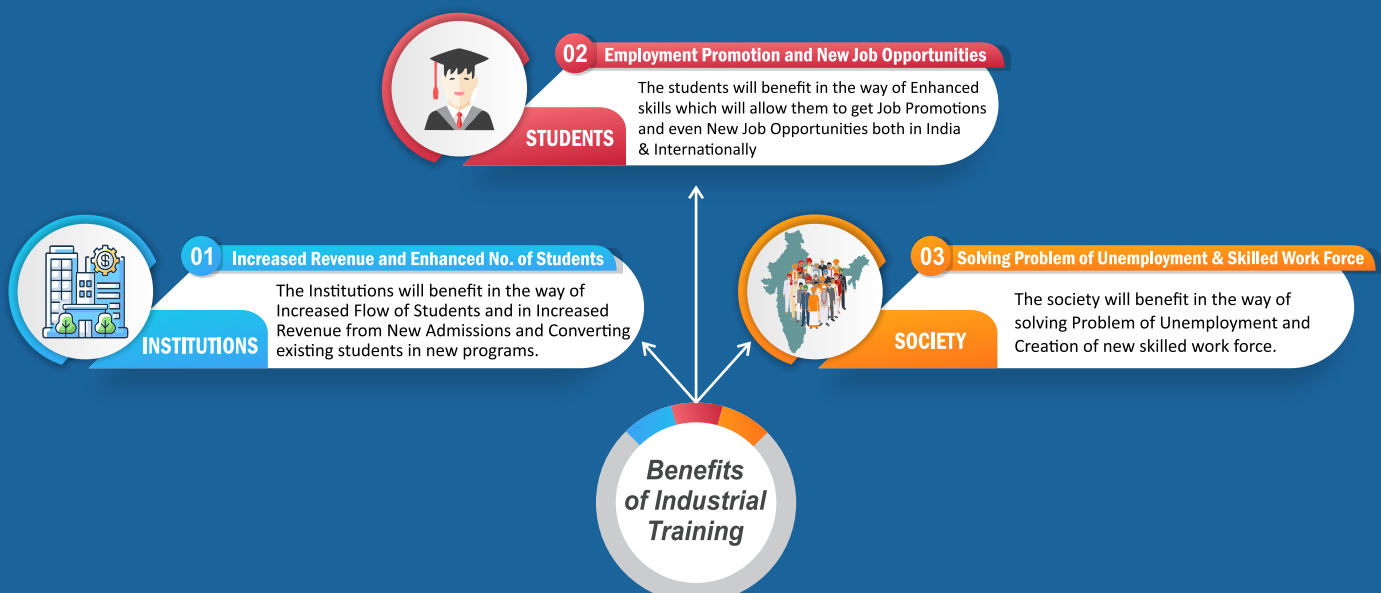

ABOUT VOCATIONAL STUDIES

Vocational studies are vital for bridging skills gaps, meeting labor market demands, and promoting economic growth. By providing job-specific training and hands-on experience, vocational programs prepare individuals for immediate entry into the workforce, enhancing their employability and career prospects. These studies offer alternative pathways to success for diverse learners, fostering social equity and reducing disparities. With a focus on practical skills and industry relevance, vocational education addresses the evolving needs of employers and contributes to a skilled workforce, driving innovation and prosperity.

INDUSTRIAL TRAINING

The Industrial Training Method can be understood as the back bone of the New Education Policy. Under Industrial Training Methods the students are Trained by the Industrial Houses on the International Standards and Curriculum designed as per the Industry Needs. The Students are provided On-the-Job Training along with stipends and payouts in some cases, helping students achieve Industry standards and become stalwards in their respective fields. The Industrial Training methods also help students complete their higher education along with employment.
